CLAIMS WAS STOPPED FROM SAVING HIS SON

Ottawa Men Insure, Write for Damages, Concluding That He Was Prevented From Rescuing Son Who Was Drowning in Ottawa River.

Ottawa, July 16.—A writ for damages was issued today by Alex. Proulx, of Hull, against Foreman Bartlett, on the ground that he prevented the plaintiff by force from taking the body of his young son from the Ottawa river while life was still in it, although supposed to be drowned.

An action has also been filed against the city of Hull on the ground that Constable Cammell also interfered with Proulx.

One fifth of a man who recovered the body stated that Proulx did not arrive on the scene until over an hour after it was recovered and that the boy was fully fifteen minutes under water.

MONORAIL CAR WRECKED.

Superstructure of Track Gave Way and Car Tipped Over.

New York, July 17.—The first scheduled trip of the new monorail car, plying between Hartwood-on-Sea and City Island, came to a disastrous end Saturday afternoon. Twenty persons were injured, some of them seriously, when the superstructure at the top and bottom which forms a track for the car, gave way.

The car was whirling at fifty miles an hour when it fell right over. Some passengers were not killed in considered a miracle.

LOCAL.

Misses Annie and Sarah Kline are spending their vacation at Victoria and Seattle.

Dan McDougall came before Inspector Tucker, J.N.W.M.P., last week at Wolf Creek on the charge of having liquor for sale in his possession. He was sentenced to four months at Fort Saskatchewan.

The license commissioners did not meet yesterday as expected on account of the full board not being present. They will meet this morning when the application of the Edelstein Hotel, Edelstein, and the King George Hotel, Edmonton, will be considered.

FINE FIELD OF WHEAT.

Hon. Duncan Marshall, minister of agriculture, who was in Lacombe, on Thursday and Friday, saw a field of spring wheat of 99 acres, adjoining the town, which is the finest he has ever seen. It now stands over three feet high and is just heading out. The wheat was sown on spring breaking.

"There is no end of fine pasture in this district," said Mr. Marshall. "The cattle are in fine condition."

CONDITION IS CRITICAL.

Malcolm MacKenzie, M.P.P. for Glengarry, is in a very critical condition in his home here, suffering from hemorrhage of the lungs. The doctor seems to have little hope for his recovery at the present time although it is thought that there may be more than a chance of recovery will increase. Mr. MacKenzie until a few days ago was in his usual health, which of the best is none too good, when he began to weaken and was at last forced to his bed.

SOLD FOR \$10,000 CASH.

A real estate transfer of some considerable importance was made last week, when Bert Cardinal sold Lot 18, R. T. 8, which has a frontage of 10 feet on Clara street and is the second lot from the northeast corner of McDougall and Clara, to Wm. Munroe, of Winnipeg, and John McIntosh, of Alexander, Ont. for \$15,000 cash. Mr. McIntosh is head of a large Ontario carriage firm.

MIDNIGHT BLAZE.

A fire occurred shortly after midnight last night in the frame house on the northeast corner of McDougall, all avenue and Clara street. The house is owned by Wm. Munroe, of Winnipeg, and was occupied by Wm. Ash, who had partly moved out. The origin of the blaze is unknown. The alarm was sent in by Bert Cardinal, who lives next door. The brigade responded in quick time and three minutes after its arrival had the fire under control. The lower floor of the house was badly gutted by the fire but so the second the damage is chiefly from water and smoke.

TO PURCHASE TOWN LOTS.

R. E. Turnbull, of London, Eng., managing director of the Canadian Railway Limited, arrived in the city last evening and is registered at the King Edward Hotel. The company which Mr. Turnbull represents was organized for the purpose of purchasing lots in new towns in the West.

There is a lot of English capital interested in the company. Mr. Turnbull is a Canadian who has been in England for the last ten years. He came originally from St. John, N.B. He leaves this morning for the new Grand Trunk Pacific route to Edmonton, where he may purchase some land. He had intended coming through overland to Prince Rupert but he is not sure that he can manage this trip at the time.

ATTENDED BIG PICNIC.

Hon. Duncan Marshall, minister of agriculture, returned to the city Saturday night from Lacombe, where at Buffalo Lake, a beautiful stretch of water near that town, he had been attending the annual three-day picnic of the Brotherhood of American Y.M.C.A. Besides the minister of agriculture there were present at the gathering W. F. Puffer, M.P.P. for Lacombe; H. W. Moffatt, district manager of the organization for Alberta, who acted as chairman; H. R. Henderson, of Victoria, Man., Canadian field manager of the organization; and J. H. Frairie, of Gravelton, North Dakota, chairman of the Board of Directors.

The picnic was a huge success and the members of the order who were present enjoyed a splendid three-day outing. During two days there were several sports and on the third day species were delivered by the gentlemen named. The picnics filled in the time between the programs by sailing on the lake.

The Brotherhood, while not an exclusively farmers' organization, appeals very strongly to the men who till the soil. The hotels are called "Homesteads." There are 20 in Alberta.

EDMONTON TOOK TWO FROM ROBIN HOODS

Deacon's Bunch Won Double-Header on Saturday—Had Narrow Escape in First, But Played Center Ball in the Evening Contest.

Edmonton took both games in the double-header with Moose Jaw on Saturday. In the afternoon struggle Deacon's men played like a bunch of drunken sailors, and the result was not due to their superiority over Moose Jaw, but to the fearful and wonderful action of the Robin Hood's second sacker, who bears the reputation of being a triple threat. The evening contest was an article of real baseball. The score in the afternoon was 6 to 5 and in the evening 4 to 1. Grady started in to pitch for Edmonton in the afternoon, but he was taken out in the third when the game seemed lost and Bill Bell went in. The elongated one held the visitors safe from that time on. Grady was given rotten support and it looked as though several of the players were decidedly displaced when Manager White called on Bell to take over the game.

Moose Jaw scored in the first inning on a walk, a sacrifice, a fielder's choice and a single. In the third the visitors again scored. Brown, the first man up, hit for three bases to right. Triplette popped out. Lacey flew out to Cox. Crocker walked. Hurley then hit a high one which short which Moose made no effort to get and which Mills also allowed to sink to the ground without trying to get under it. And Mills to make the play even more bone-headed threw a mile above Hurley's head at second allowing Hurley to go to third, from whence he scored when Davis singled. Bell grounded to Brennan, forcing Davis at second. This ended the spasm. Grady having been chased to the bench before Hurley scored. Again in the fifth the visitors scored. Triplette struck out. Lacey singled. Crocker fouled out. Hurley singled, scoring Lacey. Hurley was caught stealing second.

Edmonton scored one in the fourth. Brennan drew a pass. Cox sacrificed him to second. Dell grounded out to first. Mills walked and Baxter's single scored a run.

In the fifth the locals added four more. White, who had replaced Lacey in centre field, the latter retiring because of an injury to his ankle, singled. Spencer hit a fast one to Triplette, who again fumbled it and Spencer was safe. Quigley singled. Brennan hit to Triplette, who fielded it and would have caught Spencer at second only Davis dropped it. White to the meantime scoring. Chasty Cox hit down the third base line forcing Spencer. Dell's sacrifice fly scored Quigley. Mills then hit for two bases, scoring both Brennan and Dell. Mills was caught stealing third.

Again in the sixth Edmonton scored. Baxter and Morse both drew passes. White advanced them a stage by a fast sacrifice. Spencer's sacrifice fly scored Baxter. Quigley was the third out by a fly to left. There was no further scoring.

The evening game was played snappy and excellent ball, in marked contrast to the afternoon game. The score in the afternoon was 6 to 5 and in the evening 4 to 1. Hickey was in the box for the Edmonton team and showed the best form that he has yet exhibited here. He only allowed five hits and these were well scattered, while he was given magnificent support. For the first five innings it was largely a pitcher's game and a man on either side passed around home. Then Southworth who retired for the visitors weakened. Hickey's hit in all were collected off his delivery. In the last inning as the Robins made a run but were only able to score one tally.

Baxter replaced Lacey, who was suffering from a sprain, in center field and

Deacon took his place on foot. Both did excellent work. In the evening nothing doing till 11:00 when the Robins showed up and Hickey reached second on a two-bagger. He stole third and scored. Hickey then hit the second and came home. Hickey then stole second on Mills' single. Moose went out on a foul. Brennan stole second and came home on a single of Quigley, who was retired while attempting to steal second.

The last tally was scored in the eighth. Moose got first on a single, but went out on second. Brennan stole second and came home on a single of Quigley, who was retired while attempting to steal second.

The Robins' sole tally was made in the sixth. Hurley hit for three bases, stole second, got third on Crocker's single and came in on Hurley while Hurley and Crocker were off base. Hurley then hit a single and was advanced to second. Hurley then hit a single and was advanced to second. Hurley then hit a single and was advanced to second.

MAROONS TOOK FINAL GAME FROM CHAMPIONS

By Bunching Hits, and Aided by Palg's Errors at Third, the Winnipeggers Won Out 6 to 3—Hick Made Circus Catch in the Ninth, Saving the Game.

Medicine Hat, July 16.—The Maroons bunched their hits tonight and were aided by three costly errors made at third by Paige, who has replaced McCarty. The latter on being hit out by the Hat was signed on by Winnipeg. The "can" being tied to Vawward. In the last of the ninth with two men and two on, Leth made a circus catching of Wilson's left driver which looked good to tie up the game. The crowd thought the play even though it meant another loss for the Hat.

DROWNING AT CALGARY.

Tomater Unable to Swim Loses His Life in Elbow River.
Calgary, July 15.—Temporarily by the intense heat to bathe in the cool waters of the River Elbow, though not confident of his ability to swim, John Jannan, aged 21, a tomater from the Elbow house, at 311 River-cath avenue west, was drowned at 10:40 yesterday morning, despite the

heretic efforts of two frigades, Gals Lagoon, of 311 River-cath avenue west, and James Allen, of the Albion hotel, Romainville, fellow bathers, to rescue him. The body was recovered twenty minutes later with a rope, but artificial respiration failed to resuscitate him and the body was removed to Graham and Buchanan's morgue.

Always bear in mind that good workmanship pays. Make your selection now and do not wait until your friend has the garment you ought to have had.

Outing and vacation dresses. Linene dresses in shades of blue, pink, natural linen and white. Very nicely made, skirt shaped with side plait at each girth. Waist has a V-shaped, fine tucked yoke with two-inch insertion to form turnover collar, finished with two embroidered tabs that cross and fall to waist line, high collar, three-quarter sleeves with dainty little embroidered cuff. The whole combination is very neat—just the dress one longs to own in vacation time, the all-round, serviceable article; all sizes; regular \$6.00.
